

LET'S TALK SERIES

Local
Community
Cadres

TOPIC: MEDICAID WAIVERS

"Let's Talk Series" is a product of HANDS Local Community Cadres that creates a safe space for people to connect, share experiences, and learn about evidence-based practices in a united manner.

Kari Sheward previously served as Clinical Director for autism clinics in Central Indiana. A Board-Certified Behavior Analyst, she holds a Psychology degree from Ball State University and an MS in Psychology with a focus on Applied Behavior Analysis from Purdue Global.
